

2007 LAW ENFORCEMENT PERSONNEL

Annually the Montana Board of Crime Control (MBCC) conducts a survey regarding personnel of the state's local law enforcement agencies. The survey is used to gather information about the type and number of personnel employed by these law enforcement agencies as of October 31 of that year.

The law enforcement agencies include Police Departments, county Sheriffs' Offices, State Agencies whose employees have the power of arrest, Tribal Law Enforcement Agencies, University Police and Airport Securities. Not included in the survey are federal employees working in Montana (i.e. Federal Bureau of Investigation, Drug Enforcement Agency and Border Patrol.)

A total of 125 law enforcement agencies responded to the 2007 survey. Information for six agencies was not available. The MBCC would not be able to present this information if it weren't for the cooperation of these law enforcement agencies. The effort and time that went into completing the survey are greatly appreciated.

Sworn officers are those with the power to make arrests. A sworn officer may be either a staff or line officer. Staff officer functions are primarily administrative, while a line officer basically provides direct services. Civilian employees in Sheriff's Offices and Police Departments typically include the detention officers, dispatchers, records personnel and office staff. They do not have powers of arrest. Part-time law enforcement officers have the same powers as full-time officers. Reserve personnel are part-time, volunteer members of a law enforcement agency. The appointing authority has control of a reserve officer's scope of authority.

An estimated total population of 991,085 for 2007 was used to calculate the statewide rate per capita. The United States Department of Justice, Federal Bureau of Investigation provides this estimated population.

For Montana Incident-Based Reporting purposes, an "incident" is defined as one or more offenses committed by the same offender or group of offenders acting in concert, at the same time and place.
