

**MTIBRS**  
**"Tip" of the Month**

**Crime Data Submissions**

The MBCC needs to receive your crime data files on a monthly basis as required by the FBI. Regular submissions keep state & federal statistics current.

Your crime data files need to be submitted by the **10th** of each month.

For example: You should submit July 2010's crime data file by August 10, 2010.
