Amusement Park Location

Although there isn't an Amusement Park (such as Disneyland) within the state of Montana, you can still use this location code.

The definition for the Amusement Park location code is:

A facility that is indoor or outdoor, permanent or temporary, commercial enterprises that offer rides, games, and other entertainment.

For example, use the Amusement Park location code (38) if the incident occurred at a movie theater, carousel, bowling alley, theater.
