MTIBRS
"Tip" of the Month

The 10/22/14 Possession of dangerous drug incident #2 would include the following property information:

Type of Property Loss = 1, None

If a drug offense is completed then the Type of Property Loss can only be (1, **None** or 6, Seized).

Suspected Drug Type = H, Other Narcotics

If a drug offense has a 1, None Type of Property Loss then a Suspected Drug Type must be entered.

This applies to drugs that offenders flushed down a toilet, **swallowed**, or the LEA used as part of an undercover investigation.

Information for Estimated Drug Quantity & Type of Drug Measurement should not be entered with the Type of Property Loss of 1, None.
