### III. Program-Specific Information

**Overview and Purpose Area(s)**
The Montana Board of Crime Control (MBCC) is soliciting proposals for the Coronavirus Emergency Supplemental Funding (CESF) Program to provide funding to assist states, local units of government and tribes in preventing, preparing for and responding to the coronavirus.

Approximately **$1.3 Million** will initially available. MBCC will continue to assess the impact of COVID-19 in Montana to determine funding priorities as the situation progresses.

**Permissible Use of Funds**
Funds awarded under the CESF Program must be utilized to prevent, prepare for, and respond to the coronavirus. **No other use of funds is permitted.**

Allowable projects and purchases include, but are not limited to, overtime, equipment (including law enforcement and medical personal protective equipment), hiring, supplies (such as gloves, masks, sanitizer), training, travel expenses (particularly related to the distribution of resources to the most impacted areas), and addressing the medical needs of inmates in state, local, and tribal prisons, jails, and detention centers.
Project Period
Applications and all components must be submitted based upon a 12-month project period. The project period must commence on the first day of a calendar month (e.g. July 1, 2020) and end on the last day of the 12th calendar month following the commencement month (e.g. June 30, 2021). Funds may not be expended or obligated prior to the beginning of the project period. Project periods may not start earlier than January 20, 2020. Should the project period start on January 20, 2020, the last day of the project period would be December 31, 2020 to coincide with reporting timeframes.

Funding Request Maximum
The maximum dollar amount for which any applicant may apply is $75,000.

Match Requirements
No match is required under CESF.

Grant Funds Distribution
All grant funds are provided to subgrantees on a reimbursement basis, with proof of expenses incurred.

Number of Applications per County
To ensure funds are distributed in an equitable manner throughout the State, MBCC strongly recommends that only one application, representing all entities within the county desiring CESF assistance, is submitted for each county.

Other Coronavirus-Related Funding Sources
Within the Project Narrative, applicants must disclose all other known sources of Emergency Coronavirus (EC) funding. If the applicant or any other entity within the applicant’s county has received or is applying to receive other EC funding, a detailed description of the other funding and the intended use must be included. All applicants must complete the Coronavirus Impact Survey and the CESF Funding Disclosure Form as an attachment to the application.

IV. Application
Requirements
Applications and all components must be submitted based upon a 12-month project period and must include all Program and Application Requirements above in addition to the following:

The Face Page is automatically generated in the application system and identifies the applicant agency, project director who must be an employee of the applicant agency, project title, project duration and total number of months of federal support for any previous project.

Section 2: Project Budget
The Project Budget form categorizes requests for Personnel, Contracted Services, Travel and Per Diem, Equipment, and Operating Expenses. Budget requests must be (1) complete, allowable and cost-effective in relation to the proposed activities; and must (2) directly relate to the development, implementation or operation of the specific project.
• **Supplanting**

• **Federal Indirect Cost Rate Agreement**
  Indirect costs must be requested in accordance with Uniform Guidance found in 2 C.F.R. Part 200.414. Applicants using a Federally Approved Indirect Cost Rate plan or negotiated indirect cost rate plan, must upload a copy of the document. If no document is provided, indirect costs requests will not be considered. Refer to MBCC policy B-08 Indirect Costs and Indirect Cost Information Page for additional information.

**Section 3: Budget Narrative**
The Budget Narrative must:
- fully explain and outline all funding sources for requested personnel positions. Explain if personnel requested are full time or part time positions. Identify if there are other funding sources (see Personnel example below);
- explain and justify all budget items by category;
- explain the relationship between budgeted items and project activities;
- show detailed cost calculations to demonstrate how the applicant arrived at the total amount requested; and

If personnel costs are included in the budget, time and effort reports must be maintained to track actual time worked and must show all funding sources. Reports must be signed/submitted by the employee and certified by a supervisor.

**Personnel example:**
Personnel/Salary: Position Title (i.e. Administrative Assistant) – Taylor Smith
1 FTE @ $15.38/hr. $31,990.40
MBCC funding = .5 FTE (1040 hrs.) @ $15.38/hr. = $15,995.20
Other funding source (County surcharge fees) = .25 FTE (520 hrs.) @ $15.38/hr. = $7,997.60
Other funding source (Federal grant) = .25 FTE (520 hrs.) @ $15.38/hr. = $7,997.60
Grand Total = $31,990.40

*The Montana Department of Labor & Industry announces that the Unemployment Insurance (UI) Taxable Wage Base for 2020 will be $34,100. The SUTA rate used in this example is for illustration purposes only.*

Fringe Benefits: Position Title (i.e. Administrative Assistant) – Taylor Smith
