IV. Program-Specific Information

Overview and Purpose Area(s)

MBCC is soliciting proposals MBCC is soliciting proposals for Title II Juvenile Justice programs to be funded by U.S. Department of Justice, Office of Justice Programs, Office of Juvenile Justice and Delinquency Prevention (OJJDP). The Title II Juvenile Justice Formula Grants program provides funding to support state and local efforts to plan, establish, operate, coordinate, and evaluate policies and projects, for the development of more effective education,
training, research, prevention, diversion, treatment, and rehabilitation programs, as well as juvenile justice system improvement efforts.

The application process is competitive. Previous funding does not guarantee an award during this funding cycle.

**Note:** Because federal funds are not always available immediately following the award date, applicants should prepare for this contingency.

### Priority Projects

- **Purpose Area 3: Alternatives to Detention**
  
  Alternative services provided to a juvenile offender in the community as an alternative to confinement:

  Applies to youth including, but not limited to:
  - status offenders; survivors of commercial sexual exploitation; youth in need of temporary placement such as crisis intervention, shelter, and after-care; youth in need of residential placement; a continuum of foster care or group home alternatives that provide access to a comprehensive array of services; and youth in need of specialized intensive and comprehensive services that address the unique issues encountered by youth when they become involved with gangs

  Alternatives include, but are not limited to:
  - specialized or problem-solving courts
  - diversion to home-based or community-based services or treatment for youth in need of mental health care, substance use or co-occurring disorder services at the time such juveniles first come into contact with the juvenile justice system

- **Purpose Area 5: Community-Based Programs and Services**
  
  Programs and services that work pre- and post-confinement with:
  - status offenders, other youth, and the parents and other family members of such offenders and youth to strengthen families, including parent self-help groups, so that juveniles may remain in their homes;
  - juveniles during their incarceration, and with their families, to ensure the safe return of such juveniles to their homes and to strengthen the families; and
  - parents with limited English-speaking proficiency, particularly in areas where there is a large population of families with limited English proficiency; and
  - juvenile offenders who are the victims of child abuse or neglect, and their families, in order to reduce the likelihood that such juveniles will commit subsequent violations of law.

- **Purpose Area 6: Delinquency Prevention**
  
  Programs, research, or other initiatives to prevent or reduce the incidence of delinquent acts and directed to youth at risk of becoming delinquent to prevent them from entering the juvenile justice system or to intervene with first-time and non-serious offenders to keep them out of the juvenile justice system. This program area excludes programs targeted at youth already adjudicated delinquent, on probation, in corrections, and those programs designed specifically to prevent gang-related or substance use activities as part of other program areas.
Comprehensive juvenile justice and delinquency prevention programs will meet the needs of youth through the collaboration of the many local systems before which a youth may appear, including schools, courts, law enforcement agencies, child protection agencies, mental health agencies, welfare services, health care agencies, and private nonprofit agencies offering youth services.

- **Purpose Area 17: School Programs**
  Education programs or supportive services in traditional public schools and in detention/corrections education settings to encourage youth to remain in school or alternative learning programs and to prevent or reduce truancy, suspension, and expulsion. Applicants serving youth ages 16 or older are strongly encouraged to incorporate services or resources to assist juveniles in making the transition to the world of work and self-sufficiency.

  Alternative education program applicants must outline their plan to coordinate with the local schools that juveniles would otherwise attend to ensure that the instruction juveniles receive outside school is closely aligned with the instruction provided in school. Any information regarding learning problems identified in alternative learning situations must be communicated to the schools.

  Title II funds may be used to support, hire, and train school resource officers (SROs). MBCC also encourages ongoing educational support for SROs, individuals responding to student behavioral issues, and/or other key personnel within schools. Priority consideration for education/training programs will be given to curricula that address mental health and crisis intervention; responses to learning disabled youth; cultural considerations in areas with high minority populations; and/or problems faced by LGBTQ/non-cisgender youth.

- **Purpose Area 18: Substance and Alcohol Abuse**
  Programs, research, or other initiatives to address the use and abuse of illegal and other prescription and nonprescription drugs and the use and abuse of alcohol. Programs include control, prevention, and treatment.

- **Purpose Area 21: Racial and Ethnic Disparities (RED)**
  Programs or other initiatives primarily to identify and reduce racial and ethnic disparities among youth who come into contact with the juvenile justice system, pursuant to the Juvenile Justice Delinquency Prevention Act (JJDPA), as amended at 34 U.S.C. § 11133(a)(15). Applications with a RED reduction focus must address disparities between white, African American, Hispanic/Latinx, American Indian, Asian, Native Hawaiian and/or Alaska Native youth at one or more of the following contact points:
    - Arrest
    - Diversion
    - Pretrial Detention
    - Secure Confinement
    - Transfer to Adult Court

- **Purpose Area 22: Diversion Programs**
  Programs to divert juveniles from entering the juvenile justice system
• **Purpose Area 23: Gender-Specific Services**
  Services to address the specific needs of female, male, non-binary, transgender, and/or agender youth in the juvenile justice system. Applicants under this category are strongly encouraged to incorporate a plan to identify and address the needs of LGBTQ/non-cisgender youth.

• **Purpose Area 24: Indian Tribe Programs**
  Programs to address juvenile justice and delinquency prevention issues for American Indians and Alaska Natives.

• **Purpose Area 27: Juvenile Justice System Improvement**
  Programs, research, or other initiatives to eliminate or prevent the detention or confinement of youth in adult jails and lockups, as defined in Section 223(a) (13) of the JJDP Act.

MBCC welcomes applications from programs that serve youth of any age, including young children.

If an applicant submits a grant in a purpose area other than those listed above, the application will be considered, but priority will be given to the above purpose areas. Priority will also be given to those applications implementing best and promising practices. (Examples of evidence-based programs and practices can be found in the [OJJDP Model Programs Guide](#) and at [CrimeSolutions.gov](#)).

MBCC highly values applications from programs and services that:

- Use trauma-informed practices;
- Involve family members in treatment services, where applicable and appropriate;
- Provide counseling, training, and mentoring programs (e.g., academic tutoring, vocational and technical training, and drug/violence prevention counseling) that are designed to link at-risk juveniles, juvenile offenders, or juveniles who have a parent or legal guardian who is or was incarcerated or who is otherwise under the jurisdiction of a Federal, State, tribal, or local criminal justice system, particularly juveniles residing in low-income and high-crime areas and juveniles experiencing educational failure, with responsible individuals who are properly screened and trained;
- Incorporate restorative justice practices and principles; and
- Create a safe and welcoming environment for all youth regardless of race, religion, sex, gender identification, sexual orientation, or disability.

**Collaboration**
Applicants that demonstrate a collaborative approach in program development and execution may be given priority for funding. Involvement by participating agencies must be documented through current Memorandum of Understandings (MOUs) and/or Letters of Support (LOS) from active organizations, including specific contributions to be made.

**Project Period**
The project period begins October 1, 2020 and concludes December 31, 2021. Funds may not be expended or obligated prior to October 1, 2020.
Cash or In-Kind Match

Grant Funds Distribution
All grant funds are provided to subgrantees on a reimbursement basis, with proof of expenses incurred.

Prohibited Uses
Funds shall not be used for land acquisition or construction projects.

V. Application

Requirements
Applications and all components must be submitted based upon a 15-month project period and must include all Program and Application Requirements above in addition the following:

Section 1: Face Page
The Face Page is automatically generated in the application system and identifies the applicant agency, project director who must be an employee of the applicant agency, project title, project duration and total number of months of federal support for any previous project.

Section 2: Project Budget
The Project Budget form categorizes requests for Personnel, Contracted Services, Travel and Per Diem, Equipment, and Operating Expenses. Budget requests must be (1) complete, allowable and cost-effective in relation to the proposed activities; and must (2) directly relate to the development, implementation or operation of the specific project.

- **Supplanting**
  Funds must be used to supplement existing funds for program activities and cannot replace, or supplant, nonfederal funds that have been appropriated for the same purpose.

- **Federal Indirect Cost Rate Agreement**
  Indirect costs must be requested in accordance with Uniform Guidance found in 2 C.F.R. Part 200.414. Applicants using a Federally Approved Indirect Cost Rate plan or negotiated indirect cost rate plan, must upload a copy of the document. If no document is provided, indirect costs requests will not be considered. Refer to MBCC policy B-08 Indirect Costs and Indirect Cost Information Page for additional information.

- **Cash or In-Kind Match**
  The Title II program does not require a match. However, if an applicant chooses to propose a match, it must be derived from non-federal sources. All funds designated as match are restricted to the same uses as the Title II funds and must be expended within the grant period. The budget must include the match as a percentage of the total project budget. Specifics of the match must be clearly identified in both Section 2 and Section 3 of the application.
Section 3: Budget Narrative
The Budget Narrative must:

- fully explain and outline all funding sources for requested personnel positions. Explain if personnel requested are full time or part time positions. Identify if there are other funding sources (see Personnel example below);
- explain and justify all budget items by category;
- explain the relationship between budgeted items and project activities;
- show detailed cost calculations to demonstrate how the applicant arrived at the total amount requested; and
- include the source of match, identify anticipated expenses to be covered by the match and document the basis for determining the value of any in-kind match, if match is included in the budget.

If personnel costs are included in the budget, time and effort reports must be maintained to track actual time worked and must show all funding sources. Any personnel being used as match (volunteers, personnel, etc.) must maintain timesheets to track actual time worked. Reports must be signed/submitted by the employee/volunteer and certified by a supervisor.

**Personnel example:**

Personnel/Salary: Position Title (i.e. Administrative Assistant) – Taylor Smith

1 FTE @ $15.38/hr.  $31,990.40
MBCC funding = .5 FTE (1040 hrs.) @ $15.38/hr. = $15,995.20
Other funding source (County surcharge fees) = .25 FTE (520 hrs.) @ $15.38/hr. = $7,997.60
Other funding source (Federal grant) = .25 FTE (520 hrs.) @ $15.38/hr. = $7,997.60
Grand Total = $31,990.40

_The Montana Department of Labor & Industry announces that the Unemployment Insurance (UI) Taxable Wage Base for 2020 will be $34,100. The SUTA rate used in this example is for illustration purposes only._

Fringe Benefits: Position Title (i.e. Administrative Assistant) – Taylor Smith

Benefits are based on current payroll costs for a full-time position.

In the field labeled “Other,” please provide the RFP number and name of the grant you are applying for.

**VI. Limitations and Fund Use**

All MBCC grant funds are governed by the Department of Justice grant program’s legislation, statutes and regulations and the Uniform Guidance found in 2 C.F.R. 200 of the Office of Management and Budget. In addition to the DOJ, the Office of the Chief Financial Officer provides policy guidance, financial control and support services in the areas of grants, accounting and financial management.

To be allowable under federal awards, costs must meet the following general criteria:

- Be necessary, reasonable, and allocable for proper and efficient performance and administration of the award;
- Be authorized or not prohibited under State, local or tribal laws or regulations;
- Conform to any limitations or exclusions set forth in the Uniform Guidance or other governing regulations as to types or amounts of cost items;
• Be consistent with policies, regulations and procedures that apply uniformly to both federal awards and other activities of the organization;
• Be accorded consistent treatment (a cost may not be assigned to a federal award as a direct cost if any other cost incurred for the same purpose in a like circumstance has been allocated to the federal award as an indirect cost);
• Be determined in accordance with generally accepted accounting principles;
• Not be included as a cost or used to meet cost sharing or matching requirements of any other federal award in either the current or a prior period, except as specifically provided by federal law or regulation; and
• Be adequately documented.

For specific information regarding allowable or unallowable costs, refer to the Uniform Guidance found in 2 C.F.R. 200. For Montana-specific regulations, refer to the Montana Operations Manual.

VII. Application Processing and Award

Receipt Verification
All applications received by the due date will receive a letter of acknowledgment and will be assigned a grant number and a Crime Control Bureau contact person. Late applications will not be processed or awarded.

Initial Screening
An initial screening of applications received by the due date will be conducted to check the application for completeness. If any required documents are not submitted, the application will be deemed incomplete and disqualified from consideration. Disqualified applicants will receive a letter indicating disqualification.

Scoring
Successfully screened applications will be scored for responsiveness to the program scope and the requirements of this RFP.

The following scoring criteria will be used to evaluate each application, with different weight given to each, based on the percentage value listed:

<table>
<thead>
<tr>
<th>Criteria</th>
<th>Weight of Total</th>

</tbody>
</table>

Any application failing to achieve 60% of the total available points will be recommended for elimination from further consideration.

**Application Review Committee (ARC)**

For applications that have received the 60% minimum score, the ARC will provide recommendations to the MBCC Board of Directors for final funding decisions/awards. Funding will be recommended based on availability of funding, Board priorities and funding criteria, and not solely on basis of highest application score. Applicants will receive written notice of the ARC recommendation.

**Appeals**

Per MBCC policy B-04, if the ARC recommends denial, the applicant may appeal the recommendation. The appeal **must address** one of the following criteria:

- The Request for Proposal was inaccurate;
- Staff provided misinformation;
- Staff failed to follow MBCC policy;
- A specific geographic region would no longer have any available program in a service category; or
- The application did not achieve the required minimum score.

**Awards**

The MBCC Board of Directors will review all ARC recommendations and reserves the right to make final funding decisions. Funding will be awarded based on the availability of funding and Board priorities, and not solely on the basis of highest application score. Following Board action, each applicant will receive either an Intent to Award Notice or a denial letter. If funded, the application and award documents form a legal and binding agreement with MBCC requiring the applicant to perform all goals and objectives as submitted, and to adhere to the approved budget.

All grantees are required to fill out and return a Risk Assessment as part of the award documents. The Risk Assessment will determine the level of monitoring of the applicant. Awards to high risk applicants may carry additional special conditions such as increased monitoring and/or prohibitions on reimbursement until certain requirements are met. High risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations will likely result in a delay in funds until issues are resolved.

**Program-Specific Special Requirements**

All successful applicants for MBCC grant award funds must agree to the following requirement(s):

1. **Performance Measures Tool (PMT)**
   Grant recipients are required to submit performance measure data to the federal PMT. Subgrantees will be provided information regarding federal reporting requirements by email. Subgrantees will also be required to report PMT data to OJJDP on a quarterly basis.

2. Applicants are responsible to review the information pertaining to these additional requirements prior to submitting the application. Additional information for each one can be found at [http://ojp.gov/funding/Explore/SolicitationRequirements/index.htm](http://ojp.gov/funding/Explore/SolicitationRequirements/index.htm).

3. If the local government agency is not compliant with the MBCC Crime Data Reporting Policy, the agency must have an MOU in place within 120 days of award. To verify
compliance with the policy, applicants should submit a Crime in Montana Data request using this link [http://mbcc.mt.gov/Data/CIM-Data-Request](http://mbcc.mt.gov/Data/CIM-Data-Request). Provide applicant contact information and the counties to be covered by the proposed project. In the last field labeled “Other”, note that verification that the identified agencies meet the Crime Reporting Policy requirements is needed.

4. Programs must use screening questions to direct youth and families in need of specialized services to the appropriate resources. MBCC strongly encourages programs to utilize the Montana Experiences and Expressions Screener (Montana EES) and will provide the screening tool and training at no cost to participants. Applicants intending to use the Montana EES should budget for 3.5 hours of staff time to complete the training.

**VIII. Grantee Responsibilities Post-Award**

**Reporting**

All MBCC grantees must comply with the following:

- Submit online reports within **ten days** following the end of each reporting period. These reports include, but are not limited to:
  - Financial Reports
  - Narrative Reports
  - Performance Measures Tool (PMT)
  - Outcome Data

- Please note that MBCC will now require Title II subgrant programs to track and report outcomes by race in a separate attachment. For an example of what kind of date to include, please refer to the [Sample Race Outcome Tracking Sheet](http://mbcc.mt.gov/Data/CIM-Data-Request).

Quarterly reporting periods are as follows:
