### IV. Program-Specific Information

#### Overview and Purpose Area(s)

The Montana Board of Crime Control is soliciting proposals to implement Misdemeanor Probation and Domestic Violence Intervention Programs in Montana. It is estimated that State Funding of $125,000 will be available. Funding is granted annually. The Domestic Violence Intervention Program grant application process is **competitive**. Previous funding does not guarantee an award during this funding cycle.

#### Misdemeanor Probation

The purpose of Misdemeanor Probation is to provide monitoring and enforcement of sentence compliance for offenders who have been convicted of a first or second misdemeanor offense of Partner or Family Member Assault (PFMA) under MCA 45-5-206 or of violation of an order of protection under MCA 45-5-626. Recidivism and risk of serious injury or death to victims can be reduced when offenders are held accountable by the criminal justice system and are required to
comply with court ordered sanctions such as payment of fines and restitution, Orders of Protection, drug and alcohol evaluation and treatment, and successful completion of an offender intervention program. Communities are strongly encouraged to develop a comprehensive plan for achieving goals including assessment of need, demonstration of collaboration through coordinated community response teams, methodologies to be employed, meaningful sanctions for non-compliant offenders, plans for sustainability of the program, and specific details regarding program evaluation.

Misdemeanor Probation grant funds may be used for the following purposes (a program containing most of these elements would qualify as a comprehensive program):

- Supervision/Probation for offenders convicted of a first or second misdemeanor offense of partner or family member assault or of violation of an order of protection;
- Tracking of sentence requirements and compliance with each;
- Electronic or GPS monitoring of some offenders after risk assessment;
- Victim safety measures such as lethality assessment;
- Tracking of outcomes (i.e. recidivism, revocations of probation etc.);
- Establishment of a supervision fee structure or other means of program sustainability; and
- Utilizing evidence-informed offender intervention programs that are designed to reduce the risk of future violent behavior.

**Prohibited Practices for Misdemeanor Probation**
Activities that compromise victim safety, which may include:

- Mediation or counseling for couples as a systematic response to domestic violence;
- Requiring victims to report domestic violence crimes to law enforcement or forcing victims to participate in criminal proceedings;
- Placement of batterers in anger management programs; and
- Procedures that would force victims of domestic violence to testify against their abusers or impose other sanctions on them. Rather, procedures that provide victims the opportunity to make an informed choice about whether to testify are encouraged.

**Offender Intervention Program (OIP)**
The purpose of the Domestic Violence Intervention Program is to assist courts in implementing an Offender Intervention Program that meets the standards adopted by the Montana Board of Crime Control (MCA 44-7-210). Applications submitted by courts must outline adherence to the adopted OIP standards per MCA 44-7-201.

**Prohibited Practices for Offender Intervention Program**
Please refer to OIP standards.

**Collaboration**
Applicants that demonstrate a collaborative approach in program development and execution will be given priority for funding.
Project Period
The project period begins **July 1, 2020** and concludes **June 30, 2021**. Funds may not be expended or obligated prior to **July 1, 2020**.

Grant Funds Distribution
All grant funds are provided to subgrantees on a reimbursement basis with proof of expenses incurred.

Match
Programs are not required to provide matching funds under this solicitation.

V. Application Requirements
Applications and all components must be submitted based upon a **12-month** project period and **must** include the following:

Section 1: Face Page
The Face Page is automatically generated in the application system and identifies the applicant agency, project director who must be an employee of the applicant agency, project title, project duration, and total number of months of support for any previous project.

Section 2: Project Budget
The Project Budget form categorizes requests for Personnel, Contracted Services, Travel and Per Diem, Equipment, and Operating Expenses. Budget requests must be (1) complete, allowable, and cost-effective in relation to the proposed activities; and (2) directly relate to the development, implementation, or operation of the specific project.

- **Supplanting**
  Funds must be used to supplement existing funds for program activities and cannot replace, or supplant, funds that have been appropriated for the same purpose.
- **Travel**

Section 3: Budget Narrative
The Budget Narrative must:

- fully explain and outline all funding sources for requested personnel positions. Explain if personnel requested are full time or part time positions. Identify if there are no other funding sources (see personnel example below);
- clearly explain and justify all budget items by category;
- fully explain the relationship between budgeted items and project activities; and
- show detailed cost calculations to demonstrate how the applicant arrived at the total amount requested.

If personnel costs are included in the budget, time and effort reports must be maintained to track actual time worked and must show all funding sources. Reports must be signed/submitted by the employee and certified by a supervisor.
Personnel example:
  - Personnel - Sally Smith’s full-time equivalent position at $31,990.40 per year:
  Position Title (i.e. Victim Advocate) – Sally Smith
  1 FTE @ $15.38/hr. $31,990.40
  MBCC funding = .5 FTE (1040 hrs.) @ $15.38/hr. = $15,995.20
  Other funding source (County surcharge fees) = .25 FTE (520 hrs.) @ $15.38/hr. = $7,997.60
  Other funding source (OVW Rural grant) = .25 FTE (520 hrs.) @ $15.38/hr. = $7,997.60
  Grand Total = $31,990.40

*The Montana Department of Labor & Industry announces that the Unemployment Insurance (UI) Taxable Wage Base for 2020 will be $34,100. The SUTA rate used in this example is for illustration purposes only.*

Fringe Benefits: Position Title (i.e. Victim Advocate) – Sally Smith
Benefits are based on current payroll costs for a full-time position.

Applicants having questions or requiring clarification or interpretation of any section within this RFP must address these issues via the MBCC website on or before **January 17, 2020** at 5:00 p.m. Questions shall be submitted using the online **MBCC RFP Question and Answer Request** found at [http://mbcc.mt.gov/Funding/Grant-Offerings](http://mbcc.mt.gov/Funding/Grant-Offerings), under **#20-04 (M)**. Clear reference to the section, page, and item in question must be included in the request. Questions received after the deadline will not be considered. Program specific questions cannot be addressed during the solicitation period.

Written responses to all questions received by the deadline will be posted on the MBCC website, under **#20-04 (M) RFP Question and Answer Request**. Applicants should consult the RFP Question and Answer Requests prior to posting a question to avoid duplication and prior to submitting an application to avoid missing potentially assistive material. Any other form of interpretation of this RFP will not be binding upon MBCC.

**Crime Statistics**

Applicants may utilize crime data that is collected by the MBCC Statistical Analysis Center to include in their proposals. Montana’s Incident-Based Reporting System (MTIBRS) is an analytical/statistical tool. Users can select reports based on offense, offender/arrestee, victim, and property data elements or can create their own custom reports based on multiple variables. Data from 2005 to the most current complete calendar year is available.
For assistance in accessing MTIBRS or for technical assistance regarding crime statistics, applicants should request information using the online MBCC RFP Question and Answer Request found at http://mbcc.mt.gov/Funding/Grant-Offerings, under #20-04 (M). Assistance must be requested at least five working days before the RFP deadline.

Receipt Verification
All applications received by the due date will receive a letter of acknowledgment and will be assigned a grant number and a Crime Control Bureau contact person. Late applications will not be reviewed.

VI. Limitations and Fund Use
All grant funds under the Domestic Violence Intervention Program are governed by State of Montana legislation, statutes, and regulations. For more information regarding Montana-specific regulations, refer to the Montana Operations Manual.

VII. Application Processing and Award

Initial Screening
An initial screening of applications received by the due date will be completed to check the application for completeness. If any required documents are not submitted, the application will be deemed incomplete and disqualified from consideration. Disqualified applicants will receive a letter indicating disqualification.

Scoring
Successfully screened applications will be scored for responsiveness to the program scope and the requirements of this RFP. Based on the assessment of each applicant regarding current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, an applicant may be designated “high risk.”

The following scoring criteria will be used to evaluate each application, with different weight given to each, based on the percentage value listed:

Any proposal failing to achieve 60% of the total available points will be recommended for elimination from further consideration. Proposals receiving a score of 60% and above will be referred to the MBCC Application Review Committee.
Application Review Committee (ARC)
The ARC will provide recommendations to the MBCC Board of Directors for final funding decisions/awards. Funding will be recommended based on availability of funding, board priorities and funding criteria, and not solely on basis of highest application score. Applicants will receive written notice of the ARC recommendation.

Appeals
Per MBCC policy B-04, if the ARC recommends denial, the applicant may appeal the recommendation. The appeal must address one of the following criteria:

- The Request for Proposal was inaccurate;
- Staff provided misinformation;
- Staff failed to follow MBCC policy;
- A specific geographic region would no longer have any available program in a service category; or
- The application did not achieve the required minimum score.

Awards
The MBCC Board of Directors will review all ARC recommendations and reserves the right to make final funding decisions. Funding will be awarded based on availability of funding, board priorities and funding criteria, and not solely on basis of highest application score. Following Board action, each applicant will receive either an Intent to Award Notice or a denial letter. If funded, the application and award documents form a legal and binding agreement with MBCC requiring the applicant to perform all goals and objectives as submitted, and to adhere to the approved budget.

All grantees are required to fill out and return a Risk Assessment as part of the award documents. The Risk Assessment will determine the level of monitoring of the applicant. Awards to high risk applicants may carry additional special conditions such as increased monitoring and/or prohibitions on reimbursement until certain requirements are met. High risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations will likely result in a delay in funds until issues are resolved.

VIII. Grantee Quarterly Reporting
Reporting
Grantees must submit online reports within ten days following the end of each reporting period. These reports include, but are not limited to:

- Financial Reports
- Program Narratives

Quarterly reporting periods are as follows:

<table>
<thead>
<tr>
<th>Reporting Period</th>

<td>April 10</td>
</tr>
<tr>
<td>Quarter 4: April 1 – June 30</td>
<td>July 10</td>

Grantee acknowledges that failure to provide reporting as required will cause grant funding to be delayed or rescinded.
