I. Overview

The Montana Board of Crime Control (MBCC) is soliciting proposals for the STOP (Services-Training-Officers-Prosecutors) Violence Against Women Act (VAWA) in Montana to be funded by the Office on Violence Against Women (OVW). The purpose of the Violence Against Women Act is to promote a coordinated, multi-disciplinary approach to enhancing advocacy and improving the criminal justice system’s response to violent crimes against women. The Act encourages the development and improvement of effective law enforcement and prosecution strategies to address violent crimes against women and the development and improvement of advocacy and services in cases involving violent crimes against women.

A VAWA Committee representing judges, prosecutors, law enforcement, and victim service projects was appointed by the Board to establish priorities for initiatives to be funded from OVW. The VAWA Committee supports a funding strategy that encourages local agencies to gradually institutionalize programs through demonstrated effectiveness. Such a funding strategy will allow MBCC to extend funding opportunities to new initiatives and broaden the impact of the STOP VAWA program. Public agencies receiving funding are strongly encouraged to demonstrate local support through increased match and reduced reliance on federal dollars.

The U.S. Department of Justice has not yet determined Montana’s allocation. Funding is granted annually. This year, the STOP VAWA application process is competitive. Previous funding does not guarantee an award during this funding cycle.

within this RFP must address these issues via email or in writing to MBCC on or before December 24, 2015. Applicants are to submit questions using the MBCC RFP Question and Answer Form. **See Appendix C.** Clear reference to the section, page, and item in question must be included in the form. Crime Statistics

Agencies may utilize crime data that is collected by the MBCC Statistical Analysis Center to include in their applications. MTIBRS Online Reporting (MOR) is an analytical/statistical tool that takes full advantage of Montana's Incident-Based Reporting System. Users can select custom reports based on offense, offender/arrestee, victim, and property data elements. Users can also create their own custom reports based on many variables and export the reports in multiple formats (XML, or comma-delimited). Data from 2005 to the most complete current calendar year is available.

For assistance in accessing MOR or for technical assistance regarding crime statistics, agencies should request the information at mbcc@mt.gov *at least five working days before the RFP deadline.* For more information, please contact Kathy Ruppert at (406) 444-2084 or kruppert@mt.gov or Candy Kirby at (406) 444-3651 or candyk@mt.gov.

Receipt Verification

All applicants who have submitted an application by the deadline will receive a letter acknowledging the receipt of their application and will be assigned a grant number and an MBCC contact person.

Late Applications

Regardless of cause, MBCC will not accept late applications. Such applications will automatically be disqualified from consideration. Disqualified applicants will receive a letter indicating the application will not be reviewed.

VI. Quarterly Reporting

All successful applicants for grant award funds must comply with the following:

- Applicant agrees to provide a minimum of three and a maximum of five objectives in the Online Subgrant Application System (OSAS).
 - Objectives must start with the word "To" and contain a measurable deliverable.
 - Objectives must be in alignment with the goals listed in the grant narrative.
 - Objectives must be time-bound and measurable.
 - Goals should follow the authorized purpose area definitions (See Authorized

CLOSED – This Request for Proposal is for reference purposes only.

Purpose Areas listed below) and whenever possible contain model and best practice program approaches.

- Applicant agrees to submit online quarterly reports within ten days following the end of each program quarter. These reports include, but are not limited to:
 - Financial Reports
 - Narratives
 - Data

- Applicant acknowledges the quarterly reporting periods as follows:

<u>Reporting Period:</u>	<u>Due Date:</u>
Quarter 1: July 1 – September 30	October 10
Quarter 2: October 1 – December 31	January 10
Quarter 3: January 1 – March 31	April 10
Quarter 4: April 1 – June 30	July 10

- Applicant acknowledges that failure to provide reporting as stated in this RFP can cause grant funding to be denied or rescinded.

VII. Program-Specific Information

Due to MBCC website redesign, forms may be in differing locations before and after the redesign. If you are unable to find any of the required forms on the MBCC website, contact Kristel Matchett at kmatchett@mt.gov or Kathy Ruppert at kruppert@mt.gov for assistance.

Project Period

The project period begins July 1, 2016 and concludes June 30, 2017. **Funds may not be expended or obligated prior to July 1, 2016.**

New Programs

Programs that have not been awarded an MBCC grant must ensure the following: 1) the agency should be able to demonstrate a record of providing direct services to victims of crime; and 2) the agency **MUST** show that 35% of the overall project budget contains financial support from non-federal sources. The 35% of non-federal support should be reflected in the Financial Resource Disclosure Form under Total Project Funding Sources in the Local column. It is important that organizations have a variety of funding sources besides federal funding in order to ensure their financial stability. Indicate how the project will be supported by non-federal funding and describe how it is being used in the Budget Narrative section.

Cash or In-Kind Match

Matching contributions of 25% (cash or in-kind) of the total cost of each VAWA project (VAWA grant plus local match) are required for local, state and tribal government agencies for those who plan to apply in the Law Enforcement, Prosecution, Courts, and Discretionary categories. Non-profit programs are not required to provide match. However, providing match helps in Montana’s efforts to receive continued VAWA funds. Match must be derived from non-federal

CLOSED – This Request for Proposal is for reference purposes only.

sources.

- All funds designated as match are restricted to the same uses as the VAWA funds and must be expended within the grant period.
- Remember to identify the source of the match and the anticipated expenses that will be obligated by the match in the budget narrative.
- The budget must include the required match as a percentage of the total project budget.
- Specifics of the match (amount and source) must be clearly identified on both the Budget Detail and Budget Narrative.
- In-kind match must be supported by documentation to show fair market value and be available upon request.

How to Calculate Match

Formula:

Step 1	Grant Request Amount	÷	% of Federal Share	=	Total (Adjusted) Project Cost
Step 2	Total (Adjusted) Project Cost	x	% of Recipient's Share	=	Required Match
Example:					
Match Requirement - 80/20 (Federal/Recipient) Federal Award = \$100,000					
Step 1	\$100,000	÷	80% Federal Share	=	\$125,000
Step 2	\$125,000	x	20% Recipient's Share	=	\$25,000

STOP VAWA Authorized Purpose Areas

Subgrants supported through this Program **must** meet one or more of the following statutory purpose areas. Changes and new purposes areas from the Reauthorization of VAWA 2013 are highlighted in **bold** below. Those purpose areas that are *italicized* are considered a priority by the VAWA Committee under the 2014-2016 STOP VAWA Implementation Plan. OVW GUIDELINES

Consultation with Victim Services Programs: The Office on Violence Against Women (OVW), U.S. Department of Justice, requires that all STOP VAWA funded state, local, and Tribal law enforcement, prosecution and court related applicants certify that they have consulted with victim services programs during the course of the development of their subgrant applications. **See Appendix E.**

Sexual Assault Set-Aside: The Reauthorization of VAWA 2013 requires “not less than 20 percent of the total amount granted to a state under this subchapter shall be allocated to programs or projects in 2 or more allocations [victim services, courts, law enforcement, or prosecution] that meaningfully address sexual assault, including stranger rape, acquaintance rape, alcohol or drug-facilitated rape, and rape within the context of an intimate partner relationship.” The 20 percent is counted on the total amount granted to the state, but is not a separate allocation. Examples of programs are sexual assault nurse examiners (SANEs), sexual assault response teams (SARTs), or trainings. By statute, the allocation categories for STOP VAWA applications are not determined by type of agency (as in the past), but rather the purpose of the program.

CLOSED – This Request for Proposal is for reference purposes only.

Meaningful sexual assault services must be comprehensive and tailored for different forms of sexual assault and address the effects of trauma through supportive healing processes. Services must be provided by staff specializing or specifically trained to meet the unique needs and concerns of sexual assault victims/survivors. Because the needs of sexual violence survivors are not the same as those of domestic violence survivors, dual/multi-services agencies will need to demonstrate the specific intent to serve sexual assault victims/survivors outside the context of interpersonal violence and how those services will be provided.

STOP funds may be used for health care providers' time conducting forensic examinations, if the examinations are performed by specially trained examiners for victims of sexual assault (such as Sexual Assault Nurse Examiners); and the jurisdiction does not require victims of sexual assault to seek reimbursement from their insurance carriers. This activity could be funded from the Law Enforcement, Prosecution, Victims Services or Discretionary category request.

In order to meet the OVW provision for the Sexual Assault Set-Aside, some information contained in the STOP VAWA Addendum is now required as a separate document titled Sexual Assault Program Response Form. **See Appendix F.**

Supplanting: STOP VAWA funds must be used to supplement existing state and local funds for program activities and must not replace those funds that have been appropriated for the same purpose.

Activities that Compromise Victim Safety and Recovery: The following activities have been found to jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions:

- Procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or gender of their children;
- Procedures or policies that compromise the confidentiality of information and privacy of persons receiving OVW-funded services;
- Offering perpetrators the option of entering pre-trial diversion programs;
- Requiring mediation or counseling for couples as a systemic response to domestic violence or sexual assault, or in situations in which child sexual abuse is alleged;
- Requiring victims to report sexual assault, stalking, or domestic violence crimes to law enforcement or forcing victims to participate in criminal proceedings;
- Relying on court-mandated batterer intervention programs that do not use the coercive power of the criminal justice system to hold batterers accountable for their behavior;
- Supporting policies that deny individuals access to services based on their relationship to the perpetrator;
- Supporting policies or engaging in practices that impose restrictive conditions to be met by the victim in order to receive services (e.g., attending counseling, seeking an order of protection);
- Sharing confidential victim information with outside organizations and/or individuals without the documented consent of the victim;

CLOSED – This Request for Proposal is for reference purposes only.

- Placing of batterers in anger management programs; or
- Procedures that would penalize or impose sanctions on victims of domestic violence or sexual assault for failure to testify against the abuser and/or the perpetrator.

Out-of-Scope Activities: OVW has determined research projects to be out of the program scope and will not be supported by STOP VAWA funding:

- Research projects (This does not include program assessments conducted only for internal improvement purposes.) Applicants may not use any STOP VAWA funds to conduct research. However, up to 3 percent of the budget may be allocated for the purposes of assessing the effectiveness of funded activities. For example, funds may be used to conduct pre- and post-testing of training recipients or for victim satisfaction surveys. In conducting such testing or surveys, subgrantees may not collect, analyze or disseminate any information that would disclose the identity of an individual.

VIII. Application Requirements

Applications and all components must be submitted based upon a 12-month period July 1, 2016 to June 30, 2017 and MUST include the following:

Section 1: Face Page

The face page is automatically generated in the online application system. The face page identifies the applicant, the project director, the project title, the project duration dates, the previously funded grant number, and the total number of months of federal support. *The Project Director must be an employee of the applicant agency.*

Section 2: Budget Detail

Applicants must provide a budget that is (1) complete, allowable, and cost-effective in relation to the proposed activities; and (2) directly related to the development, implementation, or operations of the specific project. **It is strongly recommended that applicants budget the appropriate hotel and travel expenses for 1-2 staff in the travel category to attend appropriate workshops offered by MBCC. This includes but may not be limited to Subgrantee Workshops, Grant Writing Workshops, and the Montana Victim Advocate Academy.**

Indirect Costs - NEW

Indirect costs are the costs of an organization that are not readily assignable to particular project costs, but are necessary to the operation of the organization and the performance of the project. The cost of operating and maintaining facilities, depreciation, and administrative salaries are examples of the types of cost that are usually treated as indirect costs. For organizations that have an established federally approved indirect cost rate for Federal awards, indirect costs means those costs that are included in the organizations' established indirect cost rate. Such costs are generally identified with the organization's overall operation and are further described in the [Office of Management and Budget, Circular 2 CFR 200](#).

MBCC will authorize indirect costs on this grant program provided that applicants will utilize one of the following methods:

CLOSED – This Request for Proposal is for reference purposes only.

- Federally Approved Indirect Cost Rate: Applicants who have an established federally approved indirect cost rate agreement in place may include the allocation for indirect costs. Applicants **MUST** provide a copy of the agency’s Federal Agreement. MBCC may negotiate the federally approved indirect cost rate if it is higher than the limit established in MBCC Board Policy and/or the grant’s federal allowable limits, whichever is lower.
- Negotiated Indirect Cost Rate: For those agencies who have a pending application for a federally approved indirect cost rate, the subgrantee may negotiate an indirect cost rate with MBCC, limited to Board Policy and/or the grant’s federal allowable limits, whichever is lower. See MBCC Board Policy on Indirect Costs below. Applicants must submit a copy of the application for the federally approved indirect cost rate with their application.
- De Minimis Rate: Any non-Federal entity that has never received a negotiated indirect cost rate may elect to charge a 10% De Minimis rate of modified total direct costs (MTCD) which may be used indefinitely.
 - MTDC means all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and up to the first \$25,000 of each subaward (regardless of the period of performance of the subawards under the award). MTDC excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs and the portion of each subaward in excess of \$25,000. Other items may only be excluded when necessary to avoid a serious inequity in the distribution of indirect costs, and with the approval of the cognizant agency for indirect costs.
 - Costs must be consistently charged as either indirect or direct costs (only on allowable grant activities), but may not be double charged or inconsistently charged as both.
 - This methodology, once elected, must be used consistently for all Federal awards until such time as a non-Federal entity chooses to negotiate for a rate, which the non-Federal entity may apply to do at any time.
 - The rate can be applied to the first \$25,000 of the subaward (contract/consultant).
 - The amount used for the De Minimis must be clearly stated and the grant application must list the budget items used to determine the De Minimis Rate.
- No Indirect Cost Rate: Applicants may choose not to include indirect costs in the budget request.

MBCC Indirect Costs Policy:

CLOSED – This Request for Proposal is for reference purposes only.

- 1.1 The Montana Board of Crime Control allows subgrantee or contractor requests for indirect costs provided the subgrantee or contractor has an approved indirect cost rate or plan and the amount requested does not exceed its approved rate or the rate allowable under the federal block grant whichever is lower.
- 1.2 For those federal grants that do not address indirect cost rates, the indirect cost rate allowed may not exceed 25% of the overall direct project cost.
- 1.3 If no administrative costs are available on a block grant, indirect costs only are allowable on a case-by-case basis at the discretion of the Executive Director.
- 1.4 The intent of this policy is to address requests for use of grant monies for indirect costs.

The amounts listed in your calculations MUST match the Budget Detail and Budget Narrative.

Example for Calculating 10% De Minimis Rate for Indirect Costs

Costs must be consistently charged as indirect or direct (only on allowable grant activities).
(Italicized items indicate amounts that may be used for indirect costs in this example only.)

Direct Costs:

Budget Category	Amount Requested	Comments
Personnel	\$244,000	\$200,000 Advocate Salaries \$44,000 Advocate Fringe Benefits

Travel	\$10,000	Training and Outreach
Supplies/Operating	\$4,000	Office Supplies

Requested Indirect Amount	\$33,300

The narrative must:

- b. Explain and justify each budget item (for example, personnel including fringe must

include clear detail on 100% of the position and portion of full time equivalent (FTE) employee paid by the grant);

Example: Sally Smith’s full time equivalent position at \$31,990.40 per year:
Position Title (i.e. Victim Advocate) – Sally Smith
1 FTE @ \$15.38/hr. **\$31,990.40**

MBCC funding = .5 FTE (1040 hrs) @ \$15.38/hr = \$15,995.20
Other funding source (name) = .25 FTE (520 hrs) @ \$15.38/hr = \$7,997.60
Other funding source (name) = .25 FTE (520 hrs) @ \$15.38/hr = \$7,997.60
Grand Total = **\$31,990.40**

Fringe Benefits: Position Title (i.e. Victim Advocate) – Sally Smith
Benefits are based on current payroll costs for a full time position.

FICA (Social Security & Medicare)	\$31,990.40 x 7.65%	\$2,447
Worker’s Compensation	\$31,990.40 x .8%	\$256
FUTA – on first \$7,000/yr.	\$7,000 x .6%	\$42
SUI – on first \$29,000	\$29,000 x .5%	\$145
Retirement	\$31,990.40 x 8.17%	\$2,614
Health Insurance	\$31,990.40 x 7.7%	<u>\$2,463</u>
Total Fringe Benefits		\$7,967

MBCC funding = \$7,967 x .5 = \$3,983.50
Other funding source (name) = \$7,967 x .25 = \$1,991.75
Other funding source (name) = \$7,967 x .25 = \$1,991.75

- c. Show detailed cost calculations to demonstrate how the Applicant arrived at the total amount requested;
- d. Provide a brief narrative to link costs with project activities;
- e. Include the source of the match and identify anticipated expenses to be covered by the match (if match is applicable); and,
- f. Identify personnel paid out of the grant by name and title.

Budget Detail MUST be explained and correlate to the categories in the Budget Narrative.

Section 4: Project Narrative

The Project Narrative describes the Applicant’s approach in his/her community or area of operation. Submit a Project Narrative that presents a detailed description of the purpose, needs, goals, objectives, implementation, evaluation, sustainability, and collaboration of the proposed project. Material required under the Budget Detail and Budget Narrative and Other Attachments sections will not count toward the project narrative page count. The Project Narrative must be in a 12-point font, double-spaced, one-inch margins and kept to 24 pages or less.

The Project Narrative MUST contain the following elements:

CLOSED – This Request for Proposal is for reference purposes only.

Executive Summary

Briefly summarize the scope of the project; state the problem or need; identify objectives and outcomes to be gained. Explain how the proposal addresses the purpose area(s) identified. This section should be limited to four double-spaced, 12-point font pages with one-inch margins.

Needs Statement

The Needs Statement identifies the problem(s) to be addressed and validates the need for the program and services within the program area. The statement includes current data (less than five years old) that justifies the grant request. The Needs Statement should reflect regional or community data in addition to statewide data. The date range of the data must be identified.

Goals

Provide a broad statement, written in general terms, that conveys the project’s intent to change, reduce, or eliminate the problem described. Outline the specific goal(s) of the project. Goals must be clearly defined, dynamic, achievable, realistic and tangible. The project goals should adhere to the purpose area(s).

Objectives

A minimum of three and a maximum of five objectives are required. Identify the specific milestones aimed at achieving the goal(s). Objectives should be directly related to the goals. Objectives must:

- Start with the word ‘To’;
- State the date when a milestone will be reached; and,
- Be specific, measurable, achievable, realistic, and time-bound.

Example: “To work directly with law enforcement to improve victim services” is not a measurable objective. “To hold 12 monthly meetings with law enforcement to discuss ways to improve victim services” is measurable and appropriate for the project period.

Implementation Plan

A complete Implementation Plan will include objectives, the responsible party or parties, the timeline, how each objective will be accomplished, projected costs, and resources needed. The plan will describe specific steps that will be undertaken to achieve each objective.

Example:

Activity/Action Steps	Responsible Party	Resources Needed	Cost	Time Frame Start/End	Tracking Measures (Documentation of Progress)
<i>Ex: Attend 12 monthly meetings throughout the year</i>	<i>Program Manager</i>	<i>Transportation</i> <i>Time</i>	<i>\$2,500</i> <i>\$3,567</i>	<i>Quarter 1 – Quarter 4</i>	<i>Number of new referrals</i>

Evaluation Plan

CLOSED – This Request for Proposal is for reference purposes only.

Applicants must include a plan that describes how the grant-funded program is evaluated throughout the duration of the project to meet the program objectives and goals.

The plan will describe the existing community-level baseline data, the capacity to support the program, and an assurance of the agency's commitment to provide pre- and post-data related to the specific performance measures and activities outlined in the narrative. Data collected should verify that the objectives have been met. The plan should clearly state what data will be collected, how, by whom, and when.

Sustainability Plan

Applicants must include a plan that outlines how the project will be sustained in the future. The plan should describe the community's support, funding opportunities outside of MBCC grants, and challenges to sustaining the program. Applying for additional MBCC grants is not considered an adequate sustainability plan.

Collaboration

Applicants must describe how the program promotes coordinated public and private efforts. This includes but is not limited to:

1. Describing partnerships that are built through the grant;
2. The multi-disciplinary teams that are created to reach the program's objectives;
3. How the established partnerships compliment one another's programs; and
4. How the community supports the project.

Section 5: Special Assurances and Conditions.

The application contains a list of Special Assurances and Conditions that are part of the legal and binding agreement between MBCC and the Applicant upon award. The Signature Page of the application binds the Applicant to the Special Assurances and Conditions.

Section 6: Signature Page with Original Signatures.

The Signature Page with original signatures must be scanned and uploaded into OSAS. Electronic and stamped signatures are not acceptable. If awarded, the application and award documents form a legal and binding agreement between the Applicant and MBCC for the Applicant to perform all goals and objectives as submitted in the application, and to adhere to the approved budget.

No single person can sign as Official Budget Representative and Project Director. The Official Budget Representative must be a person with budget-setting authority, generally a mayor, chairperson, department director, etc. If any person in the position of Official Budget Representative, Project Director, or Financial Officer changes, the entire form must be completed with updated information and signed by all parties. *The Project Director must be an employee of the applicant agency.*

Section 7: Upload Required Documents.

Do not submit documents other than those specified in this solicitation. Any materials submitted as part of an application may be released pursuant to a request under the Freedom of Information Act.

1. Submit quarterly narrative, performance measures, data, financial, and annual reports *in the prescribed format according to MBCC time frames*. See Section VI.
2. If personnel costs are included in the budget, timesheets must be maintained to track actual time worked and show all funding sources. Any personnel being used as match (volunteers, personnel, etc.) must maintain timesheets to track actual time worked. Timesheets must be signed by the employee/volunteer and certified by a supervisor.

XI. Application Review and Selection Criteria

Initial Screening

MBCC staff will conduct an initial screening of the application to check for completeness of the application. If any required documents are not submitted, the application will be deemed incomplete and disqualified from consideration. Disqualified applicants will receive a letter indicating the application will not be reviewed.

Application Review

Successfully screened applications will be reviewed through a competitive process for completeness and responsiveness to the scope of the VAWA program and the requirements of this RFP.

Fiscal and Program Staff will review applications and funding recommendations will be referred to the MBCC Victims Application Review Committee (Victims ARC) for their review. The

CLOSED – This Request for Proposal is for reference purposes only.

Victims ARC funding recommendations will be referred to the MBCC Board of Directors for final funding decisions/awards. The MBCC Board of Directors reserves the right to award funds to programs they believe are the best use of VAWA funds, regardless of the Applicant’s application score. The MBCC Board of Directors supports the use of evidence-based and promising practices and will also consider this factor when reviewing applications.

The following selection criteria will be used to evaluate each application, with the different weight given to each based on the percentage value listed after each individual criteria.

Selection Criteria:

Criteria	Description	Scoring
Executive Summary	Provides a clear, concise summary of proposal (i.e. describes/justifies services); states problems or needs; identifies objectives and outcomes to be gained.	5% out of 100
Budget Detail/ Budget Narrative	Is complete, allowable and cost-effective in relation to the proposed activities; Budget Narrative clearly explains and justifies budget items and how the applicant arrived at and calculated the budget amounts; includes justification of cash or in-kind matches and that the value of in-kind matches is reasonable. <i>Budget Detail must be explained and correlate to the categories in the Budget Narrative.</i>	20% out of 100
Needs Statement	Clearly identifies the problem(s) to be addressed; validates the need for the program and services; provides current data less than five years old that clearly establishes need.	25% out of 100
Goals	Clearly defined, meaningful, achievable, realistic, and tangible; addresses the long-range effect of the project and its intent to change, reduce or eliminate the problem described.	10% out of 100
Objectives	Are specific, measurable, achievable, realistic and time-bound; identifies specific milestones aimed at achieving the stated goals and when milestones will be achieved. Minimum of three and maximum of five objectives are required.	10% out of 100
Implementation Plan	Is realistic; describes specific steps to be taken to accomplish each objective; includes responsible party(ies), timeline, and resources needed.	15% out of 100

CLOSED – This Request for Proposal is for reference purposes only.

Evaluation Plan	Describes how project success will be measured relative to the goals and objectives; describes community-level baseline data, capacity to support the program and assurance of agency’s commitment to provide data; includes what data will be collected, how, by whom and when.	5% out of 100
Sustainability Plan	Realistically outlines how the project intends to be funded in the future, outside of federal funding sources; applying for additional grants is not considered an adequate sustainability plan.	5% out of 100
Collaboration	Describes how program promotes coordinated public and private efforts.	5% out of 100

For example, the first criteria “Executive Summary” is worth five percent (5%) of the entire score in the application review process.

Scoring Criteria will be used as a tool to assist the accounting and program staff, as well as the Application Review Committee, in evaluating the overall application. **Any proposal that fails to achieve 60% of the total available points will be eliminated from further consideration.**

Awards

Following review of the applications by the Victims ARC a notice will be sent to the applicant agency with the recommendation that will be presented to the Board. The Board will review all of the Committee’s recommendations during their June 2016 meeting and make final funding decisions. Each applicant will receive either an award notice or a denial letter.

Appeals

Per Board policy, if an application is recommended for denial by the Victims Application Review Committee, the applicant may appeal the recommendation if the applicant demonstrates one of the following:

- The Request for Proposal was inaccurate;
- Staff provided misinformation; or
- Staff failed to follow existing policies.

Notice of Appeal must be made in writing to the Executive Director of the Montana Board of Crime Control within ten calendar days of notice of the Victims Application Review Committee’s recommendation.

Project Director:

Sexual Assault Set-Aside

The Reauthorization of VAWA 2013 requires “not less than 20 percent of the total amount granted to a state under this subchapter shall be allocated to programs or projects in 2 or more allocations [victim services, courts, law enforcement, or prosecution] that meaningfully address sexual assault, including stranger rape, acquaintance rape, alcohol or drug-facilitated rape, and rape within the context of an intimate partner relationship.” The 20 percent is counted on the total amount granted to the state, but is not a separate allocation. Examples of programs are sexual assault nurse examiners (SANEs), sexual assault response teams (SARTs), or trainings.

In order to meet the OVW provision, information formerly contained in the STOP VAWA addendum is now required as a separate document. Complete the boxes below and upload as part of the Required Documents.

What percentage of your STOP Program was directed to each of the following areas? Report the area[s] addressed by your STOP Program during the current reporting period and estimate both the approximate percentage of funds [or resources] and the dollar amount used to address each area [consider training, victim services, etc.]. You may choose how to make this determination.

Sexual Assault		
Domestic violence/dating violence		
Stalking		
TOTAL: <i>(must equal 100%)</i>		

Describe how your STOP program meaningfully addresses sexual assault, including stranger rape, acquaintance rape, alcohol or drug-facilitated rape, and rape within the context of an intimate partner relationship.
