VI. Limitations and Fund Use
All MBCC grant funds are governed by the Department of Justice grant program’s legislation, statutes, and regulations and the Uniform Guidance found in 2 C.F.R. 200 of the Office of Management and Budget. In addition to the DOJ, the Office of the Chief Financial Officer provides policy guidance, financial control, and support services in the areas of grants, accounting, and financial management.

To be allowable under federal awards, costs must meet the following general criteria:
- Be necessary, reasonable, and allowable for proper and efficient performance and administration of the award;
- Be authorized or not prohibited under State, local or tribal laws or regulations;
- Conform to any limitations or exclusions set forth in the Uniform Guidance or other governing regulations as to types or amounts of cost items;
- Be consistent with policies, regulations, and procedures that apply uniformly to both federal awards and other activities of the organization;
- Be accorded consistent treatment (a cost may not be assigned to a federal award as a direct cost if any other cost incurred for the same purpose in a like circumstance has been allocated to the federal award as an indirect cost);
- Be determined in accordance with generally accepted accounting principles;
- Not be included as a cost or used to meet cost sharing or matching requirements of any other federal award in either the current or a prior period, except as specifically provided by federal law or regulation; and
- Be adequately documented.

For specific information regarding allowable or unallowable costs, refer to the Uniform Guidance found in 2 C.F.R. 200. For Montana-specific regulations, refer to the Montana Operations Manual.

VII. Application Processing and Award
Initial Screening
An initial screening will be completed to check the application for completeness. If any required documents are not submitted, the application will be deemed incomplete and disqualified from consideration. Disqualified applicants will receive a letter indicating disqualification. Refer to the checklist before submitting the online application and required additional documentation.

Scoring
Successfully screened applications will be scored for responsiveness to the program scope and the requirements of this RFP. Based on the assessment of each applicant regarding current or previous funding, unresolved audit issues, delinquent programmatic and fiscal reporting, and prior performance, an applicant may be designated “high risk.”
The following scoring criteria will be used to evaluate each application, with different weight given to each, based on the percentage value listed:

<table>
<thead>
<tr>

<th>Percentage of 100</th>
</tr>
</thead>
<tbody>
<tr>
<td>Executive Summary</td>
<td>5% of 100</td>

</table>

Any proposal failing to achieve 60% of the total available points will be recommended for elimination from further consideration.

Proposals receiving a score of 60% and above will be referred to the MBCC Application Review Committee (ARC). The ARC will provide recommendations to the MBCC Board of Directors for final funding decisions/awards. Applicants will receive written notice of the ARC recommendation.

**Appeals**

Per Board policy, if the ARC recommends denial, the applicant may appeal the recommendation. The appeal must state the reason based on one of the following criteria:

- The Request for Proposal was inaccurate;
- Staff provided misinformation;
- Staff failed to follow MBCC policy;
- A specific geographic region would no longer have any available program in a service category; or
- The application did not achieve the required minimum score.

Notice of Appeal must be made in writing to the Crime Control Bureau Chief within ten working days of notice of the ARC recommendation.

**Awards**

The MBCC Board of Directors will review all ARC recommendations and reserves the right to make final funding decisions. Following Board approval, each applicant will receive either an Intent to Award Notice or a denial letter. If funded, the application and award documents form a legal and binding agreement with MBCC requiring the applicant to perform all goals and objectives as submitted, and to adhere to the approved budget. Awards to high risk applicants may carry additional special conditions such as increased monitoring and/or prohibitions on reimbursement until certain requirements are met. High risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations will likely result in a delay in funds until issues are resolved.
VIII. Grantee Quarterly Reporting
All MBCC grantees **must** comply with the following:
- Submit online reports within ten days following the end of each reporting period. These reports include, but are not limited to:
  - Financial Reports
  - Program Narratives
  - Performance Measurement Tool (PMT)

Quarterly reporting periods are as follows:

<table>
<thead>
<tr>
<th>Reporting Period</th>
<th>Report Due Date</th>
</tr>
</thead>
<tbody>
<tr>
<td>Quarter 1: January 1 – March 31</td>
<td>April 10</td>

<td>Quarter 3: July 1 – September 30</td>
<td>October 10</td>
</tr>
<tr>
<td>Quarter 4: October 1 – December 31</td>
<td>January 10</td>
</tr>
</tbody>
</table>

Grantee acknowledges that failure to provide reporting as required **will** cause grant funding to be delayed or rescinded.
