## **IV.** Program-Specific Information

## Overview and Purpose Area(s)

MBCC is soliciting proposals for STOP (Services-Training-Officers-Prosecutors) Violence Against Women Act (VAWA) to be funded by the Office on Violence Against Women.

The application process is <u>competitive</u>. Previous funding does not guarantee an award during this funding cycle.

Note: Because federal funds are not always available immediately following the award date, applicants should prepare for this contingency.

The Office on Violence Against Women (OVW) is a component of the United States Department of Justice (DOJ). Created in 1995, OVW implements the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership on issues of sexual assault, domestic violence, dating violence, and stalking. Since its inception, OVW has supported a multifaceted approach to responding to these crimes through implementation of grant programs authorized by VAWA. By forging state, local and tribal partnerships among police, prosecutors, judges, victim advocates, health care providers, faith leaders, organizations that serve culturally specific and underserved communities, and others, OVW grants help provide victims, across their life span, with the protection and services they need to pursue safe and healthy lives, while improving communities' capacity to provide justice for victims and hold offenders accountable.

Funds under the STOP Formula Grant Program may be used for the following purposes, pursuant to 34 U.S.C. § 10441(b):

- 1. Training law enforcement officers, judges, other court personnel, and prosecutors to more effectively identify and respond to violent crimes against women, including the crimes of sexual assault, domestic violence, dating violence, and stalking, including the appropriate use of nonimmigrant status under subparagraphs (T) and (U) of section 101(a)(15) of the Immigration and Nationality Act (8 U.S.C. § 1101(a)).
- 2. Developing, training, or expanding units of law enforcement officers, judges, other court personnel, and prosecutors specifically targeting violent crimes against women, including the crimes of sexual assault, domestic violence, dating violence, and stalking.
- 3. Developing and implementing more effective police, court, and prosecution policies, protocols, orders, and services specifically devoted to preventing, identifying, and responding to violent crimes against women, including the crimes of sexual assault, domestic violence, dating violence, and stalking, as well as the appropriate treatment of victims.
- 4. Developing, installing, or expanding data collection and communication systems, including computerized systems, linking police, prosecutors, and courts or for the purpose of identifying, classifying, and tracking arrests, protection orders, violations of protection orders, prosecutions, and convictions for violent crimes against women, including the crimes of sexual assault, domestic violence, dating violence, and stalking.
- 5. Developing, enlarging, or strengthening victim services and legal assistance programs, including sexual assault, domestic violence, dating violence, and stalking programs, developing or improving delivery of victim services to underserved populations, providing specialized domestic violence court advocates in courts where a significant number of protection orders are granted, and increasing reporting and reducing attrition rates for cases involving violent crimes against women, including crimes of sexual assault, domestic violence, dating violence, and stalking.
- 6. Developing, enlarging, or strengthening programs addressing the needs and circumstances of Indian tribes in dealing with violent crimes against women, including the crimes of sexual assault, domestic violence, dating violence, and stalking.
- 7. Supporting formal and informal statewide, multidisciplinary efforts, to the extent not supported by state funds, to coordinate the response of state law enforcement agencies, prosecutors, courts, victim services agencies, and other state agencies and departments, to violent crimes against women, including the crimes of sexual assault, domestic violence, dating violence, and stalking.
- 8. Training of sexual assault forensic medical personnel examiners in the collection and preservation of evidence, analysis, prevention, and providing expert testimony and treatment of trauma related to sexual assault.
- 9. Developing, enlarging, or strengthening programs to assist law enforcement, prosecutors, courts, and others to address the needs and circumstances of older and disabled women who are victims of sexual assault, domestic violence, dating violence, or stalking, including recognizing, investigating, and prosecuting instances of such violence or assault and targeting outreach and support, counseling, and other victim services to such older and disabled individuals.
- 10. Providing assistance to victims of domestic violence and sexual assault in immigration matters.
- 11. Maintaining core victim services and criminal justice initiatives, while supporting complementary new initiatives and emergency services for victims and their families.
- 12. Supporting the placement of special victim assistants (to be known as "Jessica Gonzales Victim Assistants") in local law enforcement agencies to serve as liaisons between victims of sexual assault, domestic violence, dating violence, and stalking and personnel in local law

enforcement agencies in order to improve the enforcement of protection orders. Jessica Gonzales Victim Assistants shall have expertise in sexual assault, domestic violence, dating violence, or stalking and may undertake the following activities:

- a. developing, in collaboration with prosecutors, courts, and victim service providers, standardized response policies for local law enforcement agencies, including the use of evidence-based indicators to assess the risk of domestic and dating violence homicide and prioritize dangerous or potentially lethal cases;
- b. notifying persons seeking enforcement of protection orders as to what responses will be provided by the relevant law enforcement agency;
- c. referring persons seeking enforcement of protection orders to supplementary services (such as emergency shelter programs, hotlines, or legal assistance services); and
- d. taking other appropriate action to assist or secure the safety of the person seeking enforcement of a protection order.
- 13. Providing funding to law enforcement agencies, victim services providers, and state, tribal, territorial, and local governments (which funding stream shall be known as the Crystal Judson Domestic Violence Protocol Program) to promote:
  - a. the development and implementation of training for local victim domestic violence service providers, and to fund victim services personnel, to be known as "Crystal Judson Victim Advocates," to provide supportive services and advocacy for victims of domestic violence committed by law enforcement personnel;
  - b. the implementation of protocols within law enforcement agencies to ensure consistent and effective responses to the commission of domestic violence by personnel within such agencies such as the model policy promulgated by the International Association of Chiefs of Police ("Domestic Violence by Police Officers: A Policy of the IACP, Police Response to Violence Against Women Project" July 2003); and
  - c. the development of such protocols in collaboration with state, tribal, territorial and local victim services providers and domestic violence coalitions.

States and territories must notify and provide OVW with a list of subgrantee recipients awarded STOP funds under the Crystal Judson Domestic Violence Protocol Program and ensure that all subgrantees satisfy the requirements of this paragraph.
- 14. Developing and promoting state, local, or tribal legislation and policies that enhance best practices for responding to sexual assault, domestic violence, dating violence, and stalking.
- 15. Developing, implementing, or enhancing Sexual Assault Response Teams, or other similar coordinated community responses to sexual assault.
- 16. Developing and strengthening policies, protocols, best practices, and training for law enforcement agencies and prosecutors relating to the investigation and prosecution of sexual assault cases and the appropriate treatment of victims.

- 2. Increase support for survivors of sexual assault, including services, law enforcement response, and prosecution.
- 3. Meaningfully increase access to programming for specific marginalized and/or underserved populations (based on race, ethnicity, sexual orientation, gender identity, disability, age, etc.).
- 4. Increase the use of promising, evidence-based, and evidence-building practices, where available.

## **Project Period**

The project period begins July 1, 2019 and concludes June 30, 2020. Funds may not be expended or obligated prior to July 1, 2019.

## **Cash or In-Kind Match**

Matching contributions of 25% (cash or in-kind) of the total cost of the STOP VAWA project (federal funds plus local match) are required for local, state and tribal government agencies for those who plan to apply in the Law Enforcement, Prosecution, Courts, and Discretionary categories. Non-profit programs are not required to provide match. However, providing match helps in Montana's efforts to receive continued VAWA funds. Match must be derived from non-federal sources. All funds designated as match are restricted to the same uses as the federal funds and must be expended within the grant period.

#### **Prohibited Uses**

The following activities have been found to jeopardize victim safety, deter or prevent physical or emotional healing for victims, or allow offenders to escape responsibility for their actions;

- 1. Procedures or policies that exclude victims from receiving safe shelter, advocacy services, counseling, and other assistance based on their actual or perceived sex, age, immigration status, race, religion, sexual orientation, gender identity, mental health condition, physical health condition, criminal record, work in the sex industry, or the age and/or gender of their children;
- 2. Procedures or policies that compromise the confidentiality of information and/or privacy of persons receiving OVW-funded services;
- 3. Procedures or policies that require victims to take certain actions (e.g., seek an order of protection, receive counseling, participate in couples counseling or mediation, report to law enforcement, seek civil or criminal remedies, etc.) in order to receive services;
- 4. Procedures or policies that fail to include conducting safety planning with victims;
- 5. Project design and budget that fail to account for the access needs of participants with disabilities and participants who have limited English proficiency or who are Deaf or hard of hearing;

- 6. The use of pre-trial diversion programs without prior OVW review and approval of the program or the automatic placement of offenders in such programs;
- 7. Couples counseling, family counseling, or any other manner or joint victim-offender counseling as a routine or required response to sexual assault, domestic violence, dating violence, or stalking, or in situations in which child sexual abuse is alleged;
- 8. Offering or ordering anger management programs for offenders as a substitute for batterer's intervention programs;
- 9. Policies or procedures that require victims to report the crime to law enforcement, participate in the criminal justice system, or seek a protection or restraining order against the offender, and penalize them for failing to do so.
- 10. Procedures or policies that deny victims and non-abusing parents or caretakers and their children access to services based on their involvement with the perpetrator;
- 11. Requiring survivors to meet restrictive conditions in order to receive services (e.g. background checks of victims; clinical evaluations to determine eligibility for services, etc.) or other screening processes that elicit information that is not necessary for services, such as questions about immigration status, gender identity, sexual orientation, disability, physical or mental health, and work or criminal history that the service provider does not need to know about to provide services safely;
- 12. Relying on batterer intervention programs that do not use court monitoring to hold batterers accountable for their behavior;
- 13. Policies and procedures that fail to account for the physical safety of victims;
- 14. Enforcing or promoting nuisance abatement ordinances, crime-free housing ordinances, or crime-free lease addenda (often associated with crime-free housing programs) that require or encourage the eviction of tenants or residents who may be victims of domestic violence, sexual assault, dating violence or stalking. See also the U.S. Department of Housing and Urban Development for guidance on how such ordinances and addenda may violate the Fair Housing Act; and
- 15. Policies or procedures that require testing of sexual assault forensic evidence in cases where the victim obtained a medical forensic exam but has not chosen to participate in the criminal justice system.

As determined by OVW the activities listed below are unallowable and will not be supported by STOP Formula Grant Program funding.

- 1. Lobbying, except with explicit statutory authorization;
- 2. Fundraising;
- 3. Purchase of real property;
- 4. Physical modifications to buildings, including minor renovations (such as painting or carpeting); and
- 5. Construction.

#### **2019 Consultation with Victim Services**

The OVW requires that all STOP VAWA funded State, local, and Tribal law enforcement, prosecution and court related applicants certify that they have consulted with victim services programs during the course of the development of their applications.

#### **Sexual Assault Set-Aside**

The Reauthorization of VAWA 2013 requires "not less than 20 percent of the total amount granted to a state under this subchapter shall be allocated to programs or projects in 2 or more allocations [victim services, courts, law enforcement, or prosecution] that meaningfully address sexual assault, including stranger rape, acquaintance rape, alcohol or drug-facilitated rape, and rape within the context of an intimate partner relationship." The 20 percent is counted on the total amount granted to the state but is not a separate allocation. Examples of programs are Sexual Assault Nurse Examiners, Sexual Assault Response Teams, or trainings. By statute, the allocation categories for STOP VAWA applications are not determined by type of agency (as in the past), but rather the purpose of the program.

Meaningful sexual assault services must be comprehensive and tailored for different forms of sexual assault and address the effects of trauma through supportive healing processes. Services must be provided by staff specializing or specifically trained to meet the unique needs and concerns of sexual assault victims/survivors. Because the needs of sexual violence survivors are not the same as those of domestic violence survivors, dual/multi-services agencies will need to demonstrate the specific intent to serve sexual assault victims/survivors outside the context of interpersonal violence and how those services will be provided.

## V. Application

## Requirements

Applications and all components must be submitted based upon a **12-month** project period and *must* include the following:

## **Section 1: Face Page**

The Face Page is automatically generated in the application system and identifies the applicant agency, project director who must be an employee of the applicant agency, project title, project duration, and total number of months of federal support for any previous project.

#### **Section 2: Project Budget**

The Project Budget form categorizes requests for Personnel, Contracted Services, Travel and Per Diem, Equipment, and Operating Expenses. Budget requests must be (1) complete, allowable, and cost-effective in relation to the proposed activities; and (2) directly relate to the development, implementation, or operation of the specific project.

## • Supplanting

Funds must be used to supplement existing funds for program activities and cannot replace, or supplant, nonfederal funds that have been appropriated for the same purpose.

## • Federal Indirect Cost Rate Agreement

Indirect costs must be requested in accordance with <u>Uniform Guidance found in 2 C.F.R.</u>

<u>Part 200</u>. Applicants using a Federally Approved Indirect Cost Rate plan or negotiated indirect cost rate plan, *must* upload a copy of the document. If no document is provided, indirect costs requests will not be considered. Refer to <u>Indirect Costs</u> for additional information.

## • Cash or In-Kind Match

The budget must include the required match as a percentage of the total project budget. Specifics of the match must be clearly identified in both Section 2 and Section 3.

#### • How to Calculate Match

Form	ula:				
Step	Grant Request	÷	% of Federal	=	Total (Adjusted) Project
1	Amount		Share		Cost
Step	Total (Adjusted)	X	% of Recipient's	=	Required Match
2	Project Cost		Share		
Example:					
Match Requirement - 75/25 (Federal/Recipient) Federal Award = \$50,000					
Step	\$50,000	÷	75% Federal	=	\$66,667
1			Share		
Step	\$66,667	X	25% Recipient's	=	\$16,667
2			Share

If personnel costs are included in the budget, timesheets must be maintained to track actual time worked and must show all funding sources. Any personnel being used as match (volunteers, personnel, etc.) must maintain timesheets to track actual time worked. Timesheets must be signed by the employee/volunteer and certified by a supervisor. For example:

- show the annual salary rate and the percentage of time devoted to the project for each employee paid with requested funds.

Written responses to all questions received by the deadline will be posted on the MBCC website, under #19-02 (W) RFP Question and Answer Request. Applicants should consult the RFP Question and Answer Requests prior to posting a question to avoid duplication and prior to submitting an application to avoid missing potentially assistive material. Any other form of interpretation of this RFP will not be binding upon MBCC.

#### **Crime Statistics**

Applicants may utilize crime data that is collected by the MBCC Statistical Analysis Center to include in their proposals. Montana's Incident-Based Reporting System (MTIBRS) is an analytical/statistical tool. Users can select reports based on offense, offender/arrestee, victim, and property data elements or can create their own custom reports based on multiple variables. ## VI. Limitations and Fund Use

All MBCC grant funds are governed by the U.S. Department of Justice grant program's legislation, statutes, and regulations and the <u>Uniform Guidance found in 2 C.F.R. 200</u> of the Office of Management and Budget. In addition to the DOJ, the Office of the Chief Financial Officer provides policy guidance, financial control, and support services in the areas of grants, accounting, and financial management.

- Be authorized or not prohibited under State, local or tribal laws or regulations;
- Conform to any limitations or exclusions set forth in the Uniform Guidance or other governing regulations as to types or amounts of cost items;
- Be consistent with policies, regulations, and procedures that apply uniformly to both federal awards and other activities of the organization;
- Be accorded consistent treatment (a cost may not be assigned to a federal award as a direct cost if any other cost incurred for the same purpose in a like circumstance has been allocated to the federal award as an indirect cost);
- Be determined in accordance with generally accepted accounting principles;
- Not be included as a cost or used to meet cost sharing or matching requirements of any other federal award in either the current or a prior period, except as specifically provided by federal law or regulation; and

Collaboration Plan	5% of 100
Sustainability Plan	5% of 100

Any proposal failing to achieve 60% of the total available points will be recommended for elimination from further consideration.

Proposals receiving a score of 60% and above will be referred to the MBCC Application Review Committee (ARC). The ARC will provide recommendations to the MBCC Board of Directors for final funding decisions/awards. Applicants will receive written notice of the ARC recommendation.

## **Appeals**

Per Board policy, if the ARC recommends denial, the applicant may appeal the recommendation. The appeal must include one of the following criteria:

- The Request for Proposal was inaccurate;
- Staff provided misinformation;
- Staff failed to follow MBCC policy;
- A specific geographic region would no longer have any available program in a service category; or
- The application did not achieve the required minimum score.

Notice of Appeal must be made in writing to the Crime Control Bureau Chief within ten working days of notice of the ARC recommendation.

#### **Awards**

The MBCC Board of Directors will review all ARC recommendations and reserves the right to make final funding decisions. Following Board approval, each applicant will receive either an Intent to Award Notice or a denial letter. If funded, the application and award documents form a legal and binding agreement with MBCC requiring the applicant to perform all goals and objectives as submitted, and to adhere to the approved budget. Awards to high risk applicants may carry additional special conditions such as increased monitoring and/or prohibitions on reimbursement until certain requirements are met. High risk grantees with substantial or persistent performance or compliance issues, long-standing open audits, or open criminal investigations will likely result in a delay in funds until issues are resolved.
