Dear Community Leader,

The Montana Board of Crime Control (MBCC) is soliciting nominations for our 2017 Recognition Awards; the *Lifetime Achievement Award* and the *Innovative Community Improvement Award*.

The *2017 Lifetime Achievement Award* is presented to a deserving individual (or group of individuals) who has achieved professional excellence and made lasting contributions to improve Montana's justice system throughout their career. This award encompasses professionals across the entire justice system and includes law enforcement, crime prevention, public safety, victim services, juvenile justice, forensic science, prosecution, public defenders, courts, corrections and volunteers. The award honors an individual's proven leadership, vision, and innovation in their field.

The *2017 Innovative Community Improvement Award* is presented to a deserving individual (or group of individuals) who has, through a specific campaign or program, made lasting contributions to promote public safety and crime prevention within their community. This may include improving the quality of life, reducing the fear of crime, enhancing services to victims or initiating measurable, positive results. For the purposes of this award, a community is defined as a social unit of any size within Montana that shares common values, and may include towns or cities, a county, a specific region, an Indian reservation, etc. A community is not defined as the entire state. This award encompasses any professional or private community citizen or citizens, or a combination thereof. The award honors an individual's proven leadership, vision, and innovation resulting in lasting contributions and significant improvements to their community.

Nominations must be received by MBCC no later than **May 10, 2017 at 5:00 p.m., MST**. All nominations will be reviewed by the Executive Committee of the Board of Crime Control. The recipient and nominator will be notified on or before June 16, 2017 of the pending award.

The recipients and guests will be invited to attend an Awards Ceremony at the 11th Annual Crime Prevention Conference, held October 3-5, 2017 at the Radisson Colonial Hotel in Helena.
