Dear Public Safety Partners:

The Montana Board of Crime Control (MBCC) values all Montana agency programs and individuals who are dedicated to preventing and addressing crime statewide. MBCC's mission is to proactively contribute to public safety, crime prevention and victim assistance through planning, policy development, and coordination of the justice system in partnership with citizens, government, and communities.

MBCC honors criminal justice and community-based programs that merit recognition for providing effective services to address public safety issues in their communities or statewide. For your program to be considered, please complete the application and provide any supplemental materials as appropriate. MBCC will highlight at least two programs per year and applications will be archived for future consideration. (Applicants may or may not currently receive funding from MBCC.) Applications are accepted from both current and past MCBCC funding recipients.

MBCC will highlight programs with a statewide press release, certificate of recognition, placement of program information on MBCC's website and attendance scholarship/recognition at the annual Montana Crime Prevention Conference.

Please review, complete the program highlight form and submit to MBCC. For additional information on the submission requirements and process, please see the Program Highlight Form.

Respectfully,

A handwritten signature in blue ink, appearing to read "Deb Matteucci".
