Welcome to the MBCC RMS Vendor Fair!

The Montana Board of Crime Control appreciates your participation at the first Records Management Systems Vendor Fair. The RMS product demonstrations and MTIBRS/NIBRS specific trainings will benefit our local law enforcement agencies tremendously.

Montana is one of fifteen states in the nation that is 100% NIBRS compliant. For 2015, that means that 101 agencies took the time and effort to submit accurate and timely data. This data flows into the Crime in the US report, Crime in Montana, and numerous grant applications. From these grants, millions of dollars flow back into the law enforcement agencies in your communities as well as countless programs servicing victims of crimes, juvenile justice and crime prevention initiatives. Your work makes this possible. Thank you!

Inside you will find a schedule and map for the Exhibit Hall and classroom assignments.

Morning breaks and afternoon breaks will be provided and set up in the middle of the Exhibit Hall. Lunches will be provided in a separate room.

Candy Kirby, Kathy Ruppert, and Kathy Wilkins will be available in the Exhibit Hall all three days, if you have any questions or concerns.

Enjoy! Learn! Share!

Sincerely,

Deb Matteucci  
 Executive Director  
 Montana Board of Crime Control
