Mission

The mission of the Montana Board of Crime Control is to proactively contribute to public safety, crime prevention and victim assistance through planning, policy development, and coordination of the justice system in partnership with citizens, government, and communities.

Vision

Montana is a safer place to live because the Montana Board of Crime Control leads and fosters excellent and effective coordination among federal, state, tribal and local government and the Board. Through the Board's leadership, resource sharing and collaboration are the norm.

Strategic Goals and Objectives 2026 – 2027

Goal One: Support prevention and reduction of crime through education, enforcement, and interventions.

1. Advance prevention and education initiatives, to include a Gun Violence Prevention Campaign.
2. Enhance strategic planning practices to identify statewide needs, grant goals, funding priorities, and reporting.

Goal Two: Provide opportunities and resources to strengthen and sustain victim services.

1. Work to sustain and increase state-level funding for victim services.
2. Conduct meaningful stakeholder engagement to enhance strategic planning outcomes, align grant goals and funding priorities, and build partnerships.
3. Assess victim programs grant making and allocation practices.
4. Review and publish data reported under the victim program grants at least annually.

Goal Three: Coordinate efforts to collect criminal justice data across the state.

1. Ingest court data and one additional county's data in the integrated criminal justice data warehouse.
2. Sustain necessary resources for data collection and integrated criminal justice data warehouse projects, including financial obligations from the legislature.
3. Research and develop funding opportunities to assist criminal justice data collection efforts.
4. Collaborate with stakeholders to facilitate criminal justice data collection efforts.
