Dear Subscriber,

The mission of the Montana Board of Crime Control is to proactively contribute to public safety, crime prevention, and victim assistance through planning, policy development, and coordination of the justice system in partnership with citizens, government, and communities. MBCC values Montana programs and the individuals dedicated to preventing and addressing crime statewide.

MBCC's Program Highlights honor criminal justice and community-based programs that merit recognition for providing effective services in their communities or statewide. MBCC will recognize at least two programs per year and applications will be archived for future consideration. Applications are accepted from both current and previously funded MBCC grant recipients. MBCC is currently accepting Program Highlights for the Spring quarter.

Up to two representatives from the selected program will be invited to give a presentation about their program to the Board of Directors at the Board Business Meeting on March 17, 2022. MBCC will showcase the Highlight Program through a statewide press release, certificate of recognition, and placement of program information on the MBCC website. Additionally, the selected program will receive one attendance scholarship to the 2022 Montana Crime Prevention Conference.

For your program to be considered, please complete the [Program Highlights Submission Form](#) and email any relevant supplemental materials to Jessi Deily at [jessica.deily@mt.gov](mailto:jessica.deily@mt.gov). The deadline for Spring Program Highlights submissions is **5:00 PM on Friday, February 18, 2022**. For more information, or to read about previous recipients, please visit <http://mbcc.mt.gov/Working-Together/Partners/Program-Highlights>.

Sincerely,

Montana Board of Crime Control
