Police Department

Dear Subgrantee,

The mission of the Montana Board of Crime Control is to proactively contribute to public safety, crime prevention, and victim assistance through planning, policy development, and coordination of the justice system in partnership with citizens, government, and communities. MBCC values Montana programs and the individuals dedicated to preventing and addressing crime statewide.

MBCC's Program Highlights honor criminal justice and community-based programs that merit recognition for providing effective services in their communities or statewide. MBCC will recognize two programs each year, and submitted applications will be retained for up to one calendar year for consideration in the following Spring and Fall Program Highlights.

MBCC is currently accepting Program Highlights for the 2026 Spring quarter. Applications are accepted from both current and previously funded MBCC grant recipients. Previous Highlight Programs are not eligible to apply.

Up to two representatives from the selected program will be invited to give a presentation about their program to the Board of Crime Control at the March 12, 2026, board meeting. MBCC will showcase the Highlight Program through a certificate of recognition and placement of program information on the MBCC website. Additionally, the selected program will receive one attendance scholarship to the 2026 Montana Crime Prevention Conference.

For your program to be considered, please complete the Program Highlights Submission Form and email any relevant supplemental materials to Hanna Larson at hanna.larson@mt.gov. The deadline for Spring Program Highlights submissions is **5:00 PM on Friday, February 13, 2026**. For more information, or to read about previous recipients, please visit [MBCC - Program Highlights](#)

Sincerely,
Montana Board of Crime Control
