SPOUSE
Victim to Offender Relationship

When using SE = Spouse for a Victim to Offender Relationship the Offender & Victims' Ages must be at least 10.

An error will occur if you enter 00 = Unknown for their Ages. If the exact Age is unknown, enter an Age Range of at least 10 years & above, for example 25 to 30. An Age Range of 01 to 09 will also create an error.
