What Property Description do I use to report a Theft of an EBT Card?

Electronic Benefit Transfer (EBT) cards that cover TANF (Temporary Assistance for Needy Families) and SNAP (Supplemental Nutrition Assistance Program) are to be entered under category:

09 = Credit/Debit Cards

(plastic cards that function like a check and through which payments or credit for purchases or services are made electronically to the bank accounts of participating establishments directly from the cardholders' accounts. This includes automatic teller machine cards and electronic benefit transfer cards. This category does not include gift cards.)
