“Tip” of the Month

Montana has numerous fishing access sites across the state.

What Location Type should be used for a “fishing access” site?

42 = Camp/Campground (areas used for setting up camps, including tent and recreational vehicle campsites)

25 = Other/Unknown (any location that does not fit a specific location or when the actual location of the incident is unknown)

16 = Lake/Waterway/Beach (shorelines, lakes, streams, canals, or bodies of water other than swimming pools)

45 = Dock/Wharf/Freight/Modal Terminal (platforms at which trucks, ships, or trains load or unload cargo)

Answer: 16
