History of the LESDC

▶ June 2020 LESDC Act signed into Law

January 2021 LESDC Task Force formed

▶ June-October 2021 LESDC Pilot study

▶ January 2022 LESDC became live nationwide

LESDC Whys, Who, Etc.

- ▶ Why? To better understand & prevent suicides
- ▶ Who? Current & Former:
 - ▶ Law Enforcement
 - Corrections
 - ► Telecommunications (911)
 - ► Legal System
- ▶ Death by Suicide and Suicide Attempts (not threats)
- Reporting is Optional

Current AND Former Law enforcement officers, corrections, 911 operators and those
within the legal system. When they defined "law enforcement officer" in the law, the
language included "prosecution" & "adjudication", so that means that our prosecutors,
judges and so forth, fall under the umbrella of LESDC.

LESDC Reporting

- ▶ Only Law Enforcement Can Report
 - ▶ Via LEEP Account
 - ▶ Report the Incident to us at MBCC

▶ Data Collected

- ▶ Administrative Employing and/or Investigating agency, etc.
- ▶ Personal Sex/race/age, etc.
- ▶ Incident Type, location, manner, etc.
- ▶ Circumstances Recent trauma, life changing events, etc.
- ▶ Wellness Availability of agency resources on wellness
- At this time, the public cannot submit an incident to LESDC, only law enforcement agencies are authorized to do so. And you might be wondering, how do the legal folks report? If they have an ORI, they can report it themselves or they can report it via their local law enforcement agency.
- Investigating Agency v Employing agency if they were a former employee of an agency, you would list the most recent agency.
- Date of incident v Date of Death sometimes an individual does not pass immediately so the date of death is different than the incident date
