

## Tribal Resolution Requirements

- **Tribes** must provide a valid Tribal Resolution, signed by an authorized official or body representing the tribal entity, that provides assurances that:
  1. the tribal entity is included in the most recently approved listing by the Secretary of the Interior as an Indian tribe that performs law enforcement functions.
  2. the tribe shall attempt to comply with the requirements contained in Section 223(a)(12)(A), (13), and (14) of the Juvenile Justice and Delinquency Prevention Act by developing and implementing tribal strategy designed to:
    - a. provide those juveniles who are charged with or who have committed offenses that would not be criminal if committed by adults and non-offenders (i.e., dependent or neglected youth) shall not be placed in secure detention facilities, jails, lockups, or secure correctional facilities,
    - b. provide that no juvenile shall be detained or confined in any institution in which they have regular contact with accused or convicted adult offenders, and
    - c. provide that no juvenile shall be detained or confined in any jail or lockup for adults.
  3. the tribe will identify the juvenile justice needs to be served by these funds within the geographical area where the tribe performs law enforcement functions.
  4. the tribe will allow the state to conduct an analysis of its juvenile crime problems and determine the extent to which the tribe is complying with the requirements of 223(a)(12)(A), (13) and (14) of the Juvenile Justice and Delinquency Prevention Act.
  5. Based on this analysis, the tribe must develop a strategy for implementing a comprehensive, coordinated juvenile service system providing that:
    - a. status offenders and non-offenders are not placed in secure detention or secure correctional facilities;
    - b. juveniles are not held in regular contact with incarcerated adult persons, and
    - c. juveniles are not detained nor confined in any adult jail or lockup.
  6. Each application to the state for funds under the Indian pass-through program must identify how the proposed use of funds is consistent with the tribe's strategy.
