# 2022 John R. Justice (JRJ) Student Loan Repayment Program

The question and answer period is **closed**.

**Q1.** Regarding the NSLDS Document requirement under Section IV: Application, on page 3 of the RFP, does this requirement disqualify any government student loans held by entities outside the United States?

**A1.** U.S. Federal student loans, including the Federal Family Education Loan Program (FFEL), William D. Ford Federal Direct Loan, Federal Perkins Loans, Federal Consolidation loans, and Federal Direct Consolidation loans are eligible for repayment.

Loans in default, loans made to the parents of dependent students, including Federal Direct PLUS Loans, and private, commercial, or alternative student loans are not eligible.

**Q2.** I am still in my 3-year contract period, am I eligible to apply?

**A2.** Yes. Once approved for loan repayment, there is a rebuttable presumption that a beneficiary will be given priority consideration to receive funding during the second and third years of the three-year service agreement, depending on the availability of funds. Renewal is not automatic, and nothing shall obligate MBCC to renew a benefit or to renew such benefit in the same (or greater) amount previously received by a beneficiary.

Be sure to select the correct service agreement for your situation.
