Annual funding opportunity for applicants who offer comprehensive specialized services, tailored to the distinct needs of victims of crime under the Victims of Crime Act to support all components of the criminal justice system. Services are defined as those efforts that:

1. respond to the emotional and physical needs of crime victims;
2. assist primary and secondary victims of crime to stabilize their lives after a victimization;
3. assist victims to understand and participate in the criminal justice system; and
4. provide victims of crime with a measure of safety and security.

Provides funding for state and local efforts to prevent juvenile delinquency; support the well-being of youth involved, or at risk of being involved, in the juvenile justice system; develop and sustain state level juvenile justice reform to improve positive youth outcomes; work to eliminate racial and ethnic disparities in the juvenile justice system; and ensure compliance with the requirements of the JJDPA Act.

Began with the Omnibus Crime Control and Safe Streets Act of 1968, to strengthen and improve the operation of law enforcement functions in states and is designed to support all components of the criminal justice system.

Assists states and local governments to develop and implement substance abuse treatment programs in state, local, and tribal correctional and detention facilities; as well as create and maintain community-based aftercare services for offenders.

Designated by the US DOJ to provide guidance and assistance to jurisdictions in implementing standards in their sex offender registration and notification programs. Non-compliant states, including Montana, are assessed penalties against funds received through the Justice Assistance Grant program, but are allowed to apply for and receive reallocated SORNA penalty funds for programs that bring the state closer to substantial compliance.

Enhances the capacity of local communities to develop and strengthen effective law enforcement and prosecution strategies to combat violent crimes against women and to develop and strengthen victim services in cases involving violent crimes against women.

SASP envisions a partnership among the MBCC, Montana Coalition Against Domestic and Sexual Violence, and underserved communities in implementing SASP throughout the State. The intent of the partnership is to support rape crisis centers and other nonprofit, nongovernmental organizations that provide core services, direct intervention, and related assistance to victims of sexual assault. SASP funds are designed to supplement other funding sources.

Annual grant program to develop or continue a misdemeanor probation or offender intervention program for offenders convicted of Partner Family Member Assault to increase offender accountability and victim safety and reduce recidivism.

Provides funding to prevent delinquency among at-risk and justice-involved youth using evidence-based restorative justice methods, coordination of care, and mentoring. Program staff will assess the strengths and needs of youth participants and develop individualized treatment/prevention plans designed to reduce risk factors and support protective factors for delinquency. Only units of local government (cities, counties, and school districts) are eligible to apply.

Awards grants to states and units of local government to help improve the quality and timeliness of forensic science and medical examiner Services.

PSN is designed to create and foster safer communities through a sustained reduction in violent crime and gun violence, and supporting gang task forces.

NCHIP
 National Criminal History Improvement Program

SJS-SAC
 State Justice Statistics Program for Statistical Analysis Centers

State Victim Liaisons will collaborate with MBCC staff, subgrantees, victim service providers, and the Board to identify and address gaps in victim services throughout Montana. One liaison will collaborate exclusively with tribal victim service providers, and the other will work with all other victim service providers in the state, especially the organizations that provide services to victims in rural areas and to older adult (ages 60+) victims of crime.

Program addresses elder abuse, neglect, and exploitation, including domestic violence, dating violence, sexual assault, or stalking, against victims who are 50 years of age or older through training and services. Eligible applicants include states and territories, Indian tribal governments and tribal organizations, units of local government, and nonprofit, nongovernmental victim services organizations with demonstrated experience in assisting elderly women or demonstrated experience in addressing sexual assault, domestic violence, dating violence, and stalking.

Juvenile detention grants are awarded to five juvenile detention regions throughout Montana on a yearly basis. A designated county from each region applies for and distributes the funds to assist counties within their regions with their juvenile detention needs; to establish and operate youth detention services, including but not limited to youth detention facilities, short-term detention centers, holdovers, attendant care, home detention, and programs for the transportation of youth to regional facilities.
